## PROGRESSION PATHWAY FOR TOP-UP TO BACHELORS QUALIFICATION IN FILMS AND MEDIA

### Digital Storytelling & Immersive Technology For Creative Media Production

The media and creative industries are flourishing in Dubai and the UAE. These industries continue to seek new recruits. However, today, working in media requires understanding digital storytelling and immersive technology. In a few years, virtual reality and artificial intelligence will become more commonplace. Employers in these sectors want people who understand how to integrate new technologies into their work.

### Pearson HND >> Credit Transfer >> University of Bolton (UK/UAE)

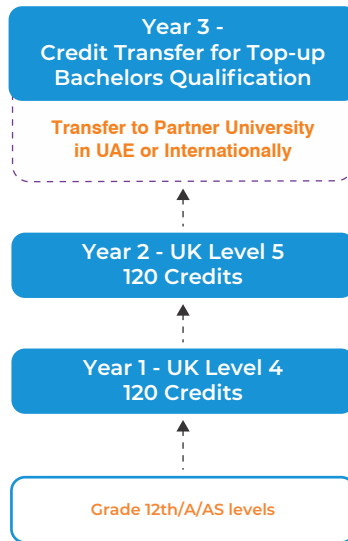

Progress to University of Bolton to earn your bachelor degree in BA (Hons) in Films & Media upon transfer of credits awarded by Pearson in HND in Creative Media Production (Films) when studying with Nest Academy's Dubai campus. Our school of Immersive Film Studies, throughout your journey of graduation, will equip you with theoretical and practical knowledge to be relevant to the industry and be employable in the world of Films & Media.
