Refreshing Memories on Completion of Five Amazing Years of Nest Academy.

To learn that Nest Academy has completed 5 years this month, gives me an overwhelming sense of pride and fills my heart. Being an alumnus of this extraordinary institution has been a transformative journey, one that I cherish deeply. From the moment I enrolled, it was clear that Nest Academy was not merely an educational establishment, it was a vibrant community dedicated to fostering growth, creativity and connection.

During my time at Nest, I was fortunate to learn from some of the most passionate and knowledgeable faculty members. Their commitment to education extended far beyond books, providing us with invaluable real-world insights and mentorship that shaped both our professional and personal lives. Their guidance instilled a sense of confidence in me that has continued to influence my career path and I will always be appreciative of it.

Nest Academy's emphasis on experiential learning was important in preparing us for the challenges of the professional world. Through hands-on projects, internships, and collaborative initiatives, I gained practical experience that set me apart as I stepped into my career. This solid foundation not only equipped me

with essential skills but also nurtured my passion for lifelong learning.

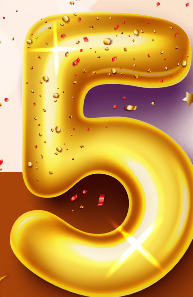

Reflecting on my time there, some of my favorite things I remember are the friendships I developed and the lively campus atmosphere that made education fun. The encouraging atmosphere drove us to succeed both personally and intellectually and promoted teamwork.

As we celebrate the fifth anniversary of Nest Academy, I am filled with gratitude for being a small part of its incredible journey. The progress made over these years is nothing short of inspiring, and I am excited to see what the future holds. I have no doubt that Nest Academy will continue to ignite the passions of new generations, just as it did for me.

Congratulations to Nest Academy on this significant milestone! Here's to many more years of success, innovation, and brilliance. Cheers to a future filled with endless possibilities!

Celebrating 5 Years of Nest Academy : A Personal Journey

Reflecting on my journey at the Academy of Management Education, I am honoured to be part of an institution that has marked five years of academic excellence. In my six months journey I've spent pursuing the ATHE Level 4 Diploma in Computing, I've had the privilege to dive deep into modules such as Advanced Programming, Cyber Security Concepts, Legislation, Regulation and Ethics, and Computer Systems Networks and Security.

These courses have shaped my understanding of modern technology and prepared me for challenges in the tech industry. From understanding cyber threats to mastering advanced programming, the curriculum has helped me develop both my technical and critical thinking skills. The academy's focus on real-world applications and compliance with current legislation has been invaluable in preparing for a career in computing.

As we celebrate this milestone, I look forward to further growth both personally and as part of the Nest Academy community. The past five years have laid a strong foundation, and I am excited about the future innovations and successes the academy will undoubtedly achieve.

Akalesh Mallah

5th Anniversary: A Milestone Achieved

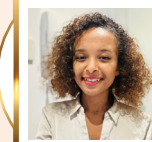

As we gather to celebrate five remarkable years of Nest Academy, I am filled with gratitude and nostalgia. My journey here has been transformative, filled with opportunities for growth, learning, and connection.

Over the past year, I have had the privilege of immersing myself in a dynamic learning environment. The faculty's unwavering support and the camaraderie among students have fostered a sense of belonging that I cherish deeply.

One of my proudest achievements this year was leading a project that aimed to enhance our campus's sustainability efforts. This experience taught me the importance of teamwork and ignited my passion for environmental advocacy.

As we celebrate this milestone, I reflect on how Nest Academy has shaped my academic and personal growth. I am excited about the future and look forward to contributing further to our vibrant community.

Here's to many more years of excellence, innovation, and inspiration at Nest Academy! Cheers

Melat Anteneh Tesfaye

ATHE Level 4 - Business & Management

Transition, Discomfort: Growth

Nest Academy of Management Education in Dubai provides a rich and stimulating environment. It is recognised for providing quality UK and European-standard education, especially in technical-focused fields. The academy offers strong internship opportunities, enabling students to have practical exposure which means a lot in terms of being a launchpad for their careers.

Its supportive and accessible team staff and atmosphere help students with both academic and career development. Overall, it is an excellent choice for those seeking hands-on education in a dynamic, global environment. The sense of belongingness here is truly remarkable.

From the moment I arrived, I was welcomed into a supportive atmosphere. My experience has been a journey of academic enrichment, personal growth, and connection. It has shaped my identity, values, and aspirations for the future. As I look ahead to graduation and beyond, I carry with me the lessons learned, the friendships made, and the passion for lifelong learning that my academy has instilled in me. This chapter of my life may be coming to a close, but the impact of my academy experience will resonate with me for years to come. I wish Nest Academy more successful years ahead.

Celebrating Half-Decade of Success : NEST Academy's Achievements and Future Aspirations

"When people go to college, they often expect to transform from who they were before—passing through new experiences and a new environment, ultimately emerging as a new, upgraded individual. That is exactly what happened to me. I can assure you that within this first semester, this journey has helped me grow, learn, and discover both myself and my potential.

Of course, there were many challenges. As a freshman entering an academy far from my home country and family, I was terrified. But NEST Academy supported me through it all. The academy organizes a large number of events that pushed me out of my comfort zone and encouraged me to socialize with people who shared similar backgrounds, as well as with those from different countries. This exposure made me appreciate diversity and deepened my love for the academy.

Over these past few months, my experiences have taught me to value my mistakes as well because each one brought me closer to success. There were times when I failed to be a good student, a good daughter, and the best version of myself. But instead of criticizing myself, I began testing my limits and improving. This whole experience revealed the reality to me, and I'm genuinely proud to be a student at NEST Academy."

Success is where preparation and hard work meets

As we celebrate the 5th anniversary of Nest Academy Dubai, I look back with immense pride on the incredible journey that has shaped both the academy and my own growth as a Professor. Over the years, Nest Academy has become a dynamic hub, offering programs in hotel management, sports management, business, and more. These programs are enriched by cross-border partnerships that promote global understanding and bring together a diverse community of students from various countries and backgrounds.

What has truly inspired me throughout this journey is the students. Their diversity brings a richness to the learning environment—each student contributes unique perspectives, cultural insights, and experiences. Watching them collaborate, navigate challenges, and grow into global citizens has been one of the most rewarding aspects of my career. Their passion, resilience, and creativity inspire me to continually evolve as an educator, ensuring I provide them with the best tools to succeed in an increasingly interconnected world.

The supportive, innovative environment at Nest Academy, led by dedicated educators, allows students to thrive both academically and personally. I am deeply honored to be part of this journey, inspired by the students' growth and success. Here's to many more years of achievements, diversity, and excellence at Nest Academy Dubai!

My Holistic Journey At Nest

Since we are celebrating the 5th anniversary of Nest, it will be my fifth anniversary with them as well. My journey commenced in 2020, when the pandemic situation was at its beginning. I was graciously welcomed on board, and we were few staff and colleagues. As we embarked on our educational mission, we encountered the formidable challenge of accommodating substantial student cohorts, while navigating the health risks. We have started with a few staff and throughout the five years, a rapid growth has occurred and I look at us now that we are a big family, leading Nest to more success, achievements and having all one common target and vision: Providing The Efficient Education and A better life for our students. I have had the privilege of observing the remarkable achievements of our students. Nest's commitment extends beyond mere academic instruction, the institution has taken proactive measures to facilitate employment opportunities, empowering our graduates to embark on their independent professional path. On a personal level, this period has been transformative for my pedagogical approach, by embracing new curricula, and the best part is that I have dealt with a variety of nationalities, rendering

Nest a truly unique educational experiment. I have known more about different cultures, norms, rituals and lifestyle. I can't deny that it was challenging at first, but afterward, it helped me with developing my personal growth and my cultural knowledge.

Looking back to the start, I am filled with an overwhelming sense of pride in my contribution to this institutional growth. Being a part of Nest family and working alongside our exceptional students has been incredibly rewarding. The satisfaction derived from facilitating their educational journey and playing a role in elevating their quality of life is immeasurable, significantly augmenting my own sense of professional accomplishment. I extend my sincere wishes for your continued success and excellence in the education field. May you persistently achieve the highest levels of accomplishment in your academic endeavours.

Ms. Lara Bouty

Manager, Academics, Language Studies.

Five Years of Learning, Growth, and Community

On this glorious occasion, I feel a real sense of excitement and celebration! Being part of this great institution for the past 4 years, teaching in the Hospitality Management department, I've witnessed plenty of passion and dedication – it's what truly sets NEST apart.

It's been an incredible journey, filled with so many memorable moments. From running successful events and workshops to engaging with students on field visits and participating in ceremonies, these experiences have not only enhanced the students' learning but also brought us closer as a team. We are always there for each other, supporting and inspiring along the way.

NEST has become more than just a college; it feels like a community where growth, collaboration, and innovation come together. I am excited to see what the next five years bring as we keep shaping the future leaders of multiple professional fields.

Five years and many more to come : Nest Academy of Management Education

I feel immense pleasure to reflect on our journey and share the remarkable progress we've made. This milestone is a testament to our growth, global impact, and commitment to excellence.

In just five years, Nest Academy has evolved into a vibrant hub of learning and innovation. We have proudly welcomed students and staff from over 45 nationalities, creating a diverse and dynamic environment that enhances our educational experience. This multicultural backdrop not only enriches our campus life but also prepares our students for success in an increasingly interconnected world.

A key highlight of our journey has been the introduction of initiatives like Academic Synergy, which bridges the gap between academic learning and real-world application. This program has opened new career opportunities for our students, aligning their academic pursuits with professional growth.

Our international reach has also expanded significantly. Through strategic partnerships with colleges and universities across the globe, we have built a robust network that enhances our educational offerings and

provides valuable global perspectives. These partnerships facilitate student exchanges, collaborative research, and joint projects, enriching the learning experience and broadening our academic horizons.

Our journey has been marked by numerous events, activities, and site visits that have deepened our engagement and learning. From industry seminars to networking events, these experiences have provided practical insights and fostered professional connections.

To everyone who has been part of this incredible journey—students, staff, partners—thank you for your dedication and contributions. As we look to the future, we are excited about the opportunities and innovations that lie ahead. Here's to many more years of growth and success at Nest Academy!

Ms. Rashida Nalwala

Senior Manager - International Partnerships

Events at Campus

Meet & Greet Session with Raffles Dubai.

We're incredibly grateful to Ms. Anuja Ghosh, Director of L&D, and Ms. Lalaine Cuarteros, Talent and Culture Executive from RafflesDubai, for leading an enlightening session on what it takes to excel in hospitality management. Our students learned about the key qualities required to succeed in this dynamic field, making it a truly enriching experience.

Students Excellence Awards 2024

Don't miss this inspiring event where our students receive the Student Excellence Awards, with our faculty and staff proudly cheering them on. From the Student of the Year to the Perseverance Award, these students have shown remarkable dedication and commitment. Take a look to celebrate with us as we honour their incredible achievements!

Farai Bruce Nyamukondiwa

Welcome to Students' Excellence Awards 2024

Mastering Magnetic Connections' Session by Ms Jaya Srivastava

A truly inspiring session on 'Mastering Magnetic Connections' was delivered by Ms. Jaya Srivastava, a leading expert in the field and the General Manager of Training at MettaSkills. Through this workshop, our students explored the art of building strong, lasting relationships through enhanced self-awareness and the transformative power of daily self-reflection.

On campus Interviews - Wayback Burgers

Grateful for the amazing opportunity! Our student had a rigorous interview with Mr. Siddharth Chakraborty, Manager of Operations at Wayback Burgers International. Thank you for inspiring and empowering our future leaders!

Field Trip to Melia Desert Palm Resort, Dubai

From culinary skills to hospitality insights, our students recounted their rewarding time at Melia Desert Palm Resort as they explore kitchen techniques and other departments of the resort.

Our Student had an incredible learning experience at Melia Desert Palm! A big thank you to General Manager Ms. Pavlina Tarabova, Assistant HR Manager Ms. Rushali Mahesh, and the entire Melia team for hosting us. From culinary arts to detailed demonstrations of SOPs in Front of House and back-of-house areas of hotel and resort operations and management, this hands-on exposure has been invaluable.

From classrooms to city streets: A city tour to explore the life and culture at Dubai.

Together, we achieve greatness!

On behalf of the entire Nest Academy team, we extend our heartfelt gratitude to all our valued partners for associating with us. Collaborating you all has profoundly impacted our academic synergy initiative, enabling us to advance our mission of promoting practical education and creating a better world for future global leaders.

Your trust in our academy and your investment in our vision inspires us to strive for excellence. We are excited about the potential to further nurture our partnership. Your partnership has been instrumental in helping our students gain practical experience, develop essential skills, and enhance their employability. Your belief in our students has changed the trajectory of their careers for the better, and we are deeply grateful for your support. You are truly the cornerstone of our success.

Thank you for being a vital part of our journey.

Thank you!

As we celebrate the remarkable milestone of five incredible years at Nest Academy of Management Education, I want to take a moment to express my heartfelt gratitude. This journey has been a source of pride, marked by growth and success that have enriched our students' education and futures.

Together, we have created a vibrant environment where diverse cultures and ideas thrive, fostering collaboration and global awareness—essential qualities for today's interconnected world. Our dedicated faculty and staff, alongside our industry partners, have worked tirelessly to provide world-class experiences that empower our students with the skills they need to succeed.

We have continuously evolved our programs to meet the dynamic demands of the global economy, ensuring our students are well-prepared for real-world challenges through hands-on projects and internships.

As we look forward to the next five years, we are excited about further enhancing our offerings and forging new partnerships. This journey would not have been possible without the unwavering support from our students, faculty, industry partners, and the wider community.

To our students, your success is our greatest reward. To our faculty and staff, your passion drives our achievements. To our industry partners, thank you for your trust and collaboration.

Together, we will continue to build on our success and shape the future of education. Thank you all for being a vital part of the Nest Academy family!

Mr. Nirmal Shah
Campus Director
